DAY 1:

History & Spice Tour - Friday, 13.02.2026

After breakfast, pick up at 08:00 from the hotel for ① Stone Town City Tour. This 2 hours tour begins with a visit to Zanzibar's colorful market, alive with the buzz of locals bartering fresh vegetables and baskets of tropical fruits, the heady aroma of herbs and spices. We continue to the site of the Anglican cathedral built in 1874 at the former slave market. Thereafter, we will visit the Zanzibar Museum, Tippu Tip's (slave trader) House, the former British Club, the Old Fort and the recently renovated Indian Dispensary (Aga Khan Hospital). **Your tour ends at Forodhani garden, by visiting "Zanzibar Submarine" Departure Platform / Lounge and with coffee & bites at Zenji Coffee, next door.**

We will proceed to the famous Spice Tour at ② Kizimbani area where you will have the opportunity to pick, smell, and savor fruits and spices which you have probably never seen on the supermarket shelves. Cloves, star fruit, tangerine trees, lemon grass, mangosteen, 'lipstick trees', to name just a few what you can expect to see! It's the best place to buy locally made perfumes and oils at low prices.

After the Spice tour we will enjoy a late, but famous traditional lunch on the way to ③ Matemwe/Pwani Mchangani or in one of our partner hotels where we will enjoy site inspections later on. While doing site inspections, another coffee break is waiting for you.

When the sun is going down, you will be transferred to your respective hotel for check-in, dinner, entertainment and overnight.

Meals: Breakfast, Lunch and Dinner

Overnight: In one of our listed partner hotels

(All transfers & meals - B/L/D - included)

DAY 2:

Mnemba Island Snorkelling Trip - Saturday, 14.02.2026

After breakfast, you'll be picked up from your hotel in Matemwe/Pwani Mchangani at 07:00 AM for a full-day adventure near the stunning ④ Mnemba Atoll Marine Reserve one of the top snorkeling spots in the world.

Located off Zanzibar's northeast coast, **Mnemba Island** is a small, exclusive island surrounded by rich coral reefs and crystal-clear waters. While the island itself is private, the surrounding marine reserve is open for snorkeling and offers incredible visibility and marine life and you can expect to see lion fish, moray eels, stingrays and turtles swimming around in the shallows. If you venture further out the reef drops away into a big wall where you will see schools of giant trevally and emperor fish hunting, yellow snappers, barracuda and if you are lucky napoleon fish and turtles. We stay out for about 3-4 hours so there is plenty of time for working on your tan too!

After we will enjoy Lunch at one of our partner hotel and visit other hotels nearby for site inspection.

The tour includes round-trip transportation from the hotel, the boat ride to the snorkeling equipment at the site, mineral water to keep you refreshed, fresh fruits and soft drinks, as well as the entrance fee to the marine reserve.
