DAY 1:

Pemba North Tour - Friday, 13.02.2026

After meet and greet at Pemba Airport we drive to **Kidike Flying Fox Forest** to watch the friendly bates of Pemba - Gigantic fruit bates indigenous to Pemba Island. Gathering in mixed-sex groups of up to 850 individuals to roost, the Pemba flying fox creates quite a spectacle. **These are the Africa's largest bat species**, a type of fruit bat with a **wing span of up to 70cm** and **weigh up to half a kilo**.

From here we drive directly to **Ngezi Rain Forest**. The forest is covering an area of 3,600 acres, mostly comprising primary forest. Mjoho is the most common tree species of Ngezi's moist forest. There are also monkeys, bush babies, fruit bats, different kinds of birds, flowers, spices and natural lakes. We can take some more time with you **visiting the "cultural areas"** these are parts of the forest which are sacred and **people periodically sweep and clean** to appease their ancestors. **These sacred places called "MIZIMU"** are used for **prayers, requests and offerings to the spirits of the dead**.

From here we will drive to **Vumawimbi** which is the longest beach in East Africa and one of the best places to relax, soak up the sun and take a break from some busy sightseeing before having lunch at **The Manta Resort**. After lunch we are going to have a site inspection at the Manta Resort, The Aiyana Resort, Gecko Lodge and Pemba Paradise. We then drive to the hotel for dinner and overnight stay on BB basis at Misali Sunset Beach.

Meals: Breakfast, Lunch and Dinner

Overnight: In one of our listed partner hotels

(All transfers & meals - L/D - included)

DAY 2:

Misali Island Tour - Saturday, 14.02.2026

At 08:00 after breakfast we take a boat ride to **Misali island**. This island is world famous for it's corals and nature. The island offers idyllic beaches and nature trails. **Misali's treasure is its rich ecosystem which boasts 42 types of corals, over 300 species of fish, a rare subspecies of vervet monkeys, rarely seen coconut crabs and a nesting site for green and hawksbill turtles**. Snorkeling here is breath-taking! Even close to the beach it's possible to see bigger fishes. Unlike most places in Pemba, the tides make no difference to these activities.

Among the locals, Misali has **religious status as they believe the prophet Hadhara used the island as his prayer mat**. The strong Islamic environmental maintenance ethic is used to support management and environment education, and the island is a **'sacred gift' to the earth from** the Islamic faith as part of an ecumenical Millennium celebration arranged by the World Wildlife Fund in Nepal in November 2000. **After the tour we take lunch and relax** until late afternoon when we drive back to the hotel for leisure, dinner and stay overnight on BB basis.

Meals: Breakfast, Lunch and Dinner

Overnight: In one of our listed partner hotels

(All transfers & meals - B/L/D - included)

DAY 3:

Cake Chake Tour & Good Bye - Sunday, 15.02.2026

We take breakfast in the morning and leave for **Pujini**. Pujini was the official seat of the infamous Mohamed bin Abdul Rahman who ruled Pemba before the arrival of the Portuguese around the 15th century. Locally, Rahman was known as “Mkama Ndume” (the milker of men) because of his cruelty and the harsh way in which he used to punish his people. We will spend 1 hour before we drive to **Chake Chake** to explore this part of the island with its treasure.

The Business Town and the Capital of Pemba Island. The tour offers a great chance for history and culture lovers to know and understand the history of Pemba through time. The Guide will take you around to visit some of the most interesting sites and historical buildings such as the old Slave Port, the Old fort, English Garden and the Fish Market, etc..

After the tour we will take a site inspection activity visiting **New Safari Hotel** where we might also take lunch, Chake Chake Hotel, Pemba Modern Hotel and Pemba Island Hotel.

Goodbye from Pemba Island

We will then drive to Misali Sunset Beach for leisure waiting for the departure time. At 16:00 we drive to Airport where we will catch our flight back to Zanzibar.
